

Welcome to the Debut of the Sunshine Rare Coins Email Newsletter

March Edition

Welcome to my first email newsletter. Since the FUN show in January, I have been busy buying and selling coins with collectors and dealers across the country.

In the last few weeks I have added a nice group of choice coins to the website, including some PQ collector grade Bust and Seated coins - my specialty.

I am eagerly anticipating the Baltimore show at the end of the month. I expect Baltimore to be a great show, especially with

the final auction of the D. Brent Pogue Collection by Stack's Bowers. It should be a fun and historic night!

Please keep checking the website in the next few weeks because after the Baltimore show, I will be also attending the Central States show in Schaumburg. I expect a large amount of NEWPS and consignments will be coming home from both of these major shows.

Let me know if you have any coins on your want list that I can help you find. I have a growing number of collectors who give me want lists so I can help you find that special coin.

Please visit my website below to see my full inventory, and email me at davidbsunshine@yahoo.com if you see anything of interest.

Thanks,

I am also auctioning off a few older coins from my inventory on eBay ending March 5th. They will be auctioned in a 10 day auction under my eBay id **sunshinerarecoins**. All coins will start at 99 cents with no reserves.

The link to the auctions are below.
Good Luck!
